\* The SAT ranges above represent combined critical reading and math scores (the maximum possible total is 1600). While most campuses base admissions decisions on math and critical reading sections of the SAT, prospective students should consult with campuses of interest to determine policies regarding the SAT writing score and for students taking the ACT, if the ACT writing component is required.

\*\* Enrollment includes Health Science Centers.

+ 2012 Data

<sup>1</sup> All three sections of the SAT are considered in admissions decisions.

# Educational Opportunity Program Applicants

## NEW YORK STATE RESIDENTS ONLY

### What is it?

The State University of New York's Educational Opportunity Program provides access, academic support and financial aid to students who show promise for succeeding in college but who may not otherwise be offered admission. Available primarily to full-time, matriculated students, the program supports students throughout their college careers within the University.

### Support Services

Educational Opportunity Program students receive both academic and financial support. Academic support services may include: personal counseling, academic advisement, tutoring, skill development workshops, supplemental instruction and mentoring. As part of the student's overall financial aid package, the Educational Opportunity Program provides modest financial aid to alleviate non-tuition expenses (e.g., books, supplies, etc.).

### Campus Participation

The Educational Opportunity Program is available at all SUNY campuses with the exception of: Empire State College, and Adirondack, Cayuga County, Clinton, Columbia-Greene, Corning, Herkimer County, Jamestown, Jefferson, Mohawk Valley, Nassau, Niagara County, North Country, Orange County, Rockland, Sullivan County and Tompkins Cortland Community Colleges.

### Fee Waiver

Students submitting applications for EOP consideration may qualify for application fee waivers for their first four campus choices. If the applicant does not meet both academic and economic eligibility guidelines or if the campus does not operate an Educational Opportunity Program, the student will be billed for the fee.

### Who is eligible?

To be eligible for admission to the Educational Opportunity Program a student must: 1) be a New York State resident for 12 months prior to enrollment; 2) require alternate admissions consideration; and 3) qualify as economically disadvantaged according to the guidelines indicated. In selecting students for the program, priority is given to applicants from historically disadvantaged backgrounds.

To be eligible for the program as a transfer, a student must have been enrolled in the EOP, CD/SEEK, HEOP or a similar program at his or her previous college. If the previous college did not have EOP or a similar program, the student may receive consideration for transfer eligibility and should notify the college to which he or she is transferring.

Admission is subject to program capacity.

### Academic Eligibility

Academic eligibility will vary by campus. To view the EOP freshman profile for each campus, visit [www.suny.edu/student/academic\\_eop\\_campus\\_profile.cfm](http://www.suny.edu/student/academic_eop_campus_profile.cfm).

### Financial Eligibility

The table to the right lists financial guidelines for Educational Opportunity Program eligibility. To be determined economically disadvantaged, a student's household income must not exceed the amount shown for its size, or the student's circumstances must conform to one of the exceptions indicated. Eligibility guidelines may be adjusted slightly each year.

*NOTE: Applicants who are deemed ineligible for EOP may still qualify for admission and financial aid through other admissions processes.*
