\* The SAT ranges above represent combined critical reading and math scores (the maximum possible total is 1600). While most campuses base admissions decisions on math and critical reading sections of the SAT, prospective students should consult with campuses of interest to determine policies regarding the SAT writing score and for students taking the ACT, if the ACT writing component is required.

\*\* Enrollment includes Health Science Centers.

<sup>1</sup> All three sections of the SAT are considered in admissions decisions.
