## SHELTERS/HOUSING SERVICES

### SHELTERS

- ✓ Any individual or family seeking shelter must provide proof of residence for the last year (eviction notice, letter from prior landlord or primary tenant of last address stating individuals no longer reside at the address).

### FAMILY SHELTERS

#### **WHO QUALIFIES FOR A FAMILY SHELTER?**

The Department of Homeless Services (DHA) defines an “Adult Family” as:

- ✓ Applicants who are a legally married couple and present a valid original marriage certificate; or
- ✓ Applicants who are domestic partners and present a valid original domestic partnership certificate; or
- ✓ Adults who provide, as part of their application for Temporary Housing Assistance, proof establishing the medical dependence of one applicant upon another; or
- ✓ Two or more adults who can provide birth certificates to prove a parent/child or sibling family relationship or share a "caretaking" (emotionally or physically supportive) relationship, including: (i) aunt/uncle to niece/nephew; (ii) grandparent to grandchild; (iii) parent to child or step-child; and (iv) siblings; and can demonstrate that they have resided with one another for 180 days within the year immediately prior to the date of their application.

#### **Families with Children Under 21 Years Old**

- ✓ Families with children younger than 21 years old who are applying for shelter must go (in-person) to the **Prevention Assistance and Temporary Housing (PATH)** Office in the Bronx. The PATH Office is open 24 hours, seven days a week.

**Pregnant Families** (single pregnant women, pregnant couples, or parent/grandparent(s) with a pregnant child 21 years of age or over)

- ✓ Pregnant families must go (in-person) to the **Prevention Assistance and Temporary Housing (PATH)** Office in the Bronx. The PATH Office is open 24 hours, seven days a week.

#### **Adult Families with No Children Under 21**

- ✓ Adult families with no children younger than 21 must go to the **Adult Family Intake Center (AFIC)**, located in Manhattan. AFIC is open 24 hours, seven days a week.

#### **Intake Facility for Families with Minor Children and Pregnant Women**

New York City Department of Homeless Services  
Prevention Assistance & Temporary Housing (Path)  
346 Powers Ave.  
Bronx, NY 10454  
(917) 521-3900 or 311

#### **Intake Facility for Adult Families with No Children**

400 East 29th St. (1st Ave.)  
NY, NY 10016

## **WHAT TO BRING**

For both locations (**AFIC and PATH**), you will need to bring the following:

- ✓ Original identification, such as a public assistance ID card, green card, driver's license, passport/visa, or picture employment card. If you do not have a picture ID, you can generally use a birth certificate, social security card, Medicaid card, Benefit Card, or a pay stub.
  
- ✓ It is also helpful to bring the following if you have it:
  - Eviction papers or Marshal's Notice
  - Leases, Con Edison or telephone bill
  - Pay stub, or proof of income
  
- ✓ In order to apply at AFIC you need to verify that your household constitutes a family and must:
  - Verify that the applicant couple is either legally married or has obtained a valid domestic partnership certificate; or
  - Prove medical dependency of one applicant upon another; or
  - Establish that two or more adult applicants as listed above share a caretaking (emotionally or physically) relationship and can demonstrate that they have resided with one another for 180 days within the year immediately prior to the date of application for Temporary Housing Assistance or can provide birth certificates to prove a parent/child or sibling family relationship.

## **WHAT NOT TO BRING**

- ✓ Contraband, alcohol, or illegal substances
- ✓ Expensive personal belongings (DHS is not responsible for lost or damaged goods)
- ✓ Friends and visitors, or anyone not a part of your family
- ✓ Food, furniture, cameras, appliances and/or pets

## **DOMESTIC VIOLENCE SHELTERS**

- ✓ Call the NYC Domestic Violence Hotline: **800-621-HOPE**.

## **STUDENTS IN TEMPORARY HOUSING (MCKINNEY-VENTO ACT)**

The purpose of the McKinney-Vento Act is to promote school continuity for children who are experiencing instability with their housing.

### **Students covered by the McKinney-Vento Act can:**

- Stay in their same schools even if they are now temporarily residing outside of the district and receive free transportation to that school;
- Enroll in the local school and attend classes immediately even if they don't have the documents formally needed;
- Get free school meals without completing an application;
- Receive Title I services;
- Participate in any school activity or program available to other students;
- Get special education services immediately if the student has a current IEP.
