Class Assignment Grades

To see details about any class, select “Class details” under the student’s “classes” menu, then select the course and quarter.

An "M" in the grade column stands for a Missing grade (counts as zero). An "X" means the student was Exempt or Excused.
The “Assignments calendar” feature can show all posted Assignments in a handy calendar format. For a weekly calendar showing assignments for all classes, select the “7” icon, the start date of the week, and blank out the “Class” drop-down box.
