Williamsburg Charter High School
SY 17-18

2018-2019

Williamsburg Charter High School
SY 18-19

Former Mission Statement:

The Williamsburg Charter High School unites youth, families, staff, teachers and the community at large in providing young people with the tools necessary to make sense of the world and prepares them in their journey to become skilled workers in and literate citizens of the world community.

Young people will accomplish this through their participation in a rigorous and demanding liberal arts education that includes language, literature, writing, science, history, mathematics, the arts, technology and explorations in disciplines designed to teach fairness, justice, respect and compassion for themselves and others as well as the skills of critical thinking, communication and research.

Modified Mission Statement:

Mission Statement:

The Williamsburg Charter High School unites youth, families, staff, teachers and the community at large in providing young people with the tools necessary to make sense of the world, and prepares them in their journey to become skilled workers in and literate citizens of the local and global the world community.

Young people will accomplish this through their participation in a vigorous and demanding liberal arts education that includes language, literature, writing, science, history, mathematics, the visual and performing arts, technology and explorations in disciplines designed to teach fairness, justice, independent thinking, respect and compassion for themselves and others as well as the skills of critical thinking, communication and research. and recognizes that mental and social-emotional health is essential for life
