Spotify®

SEPHORA

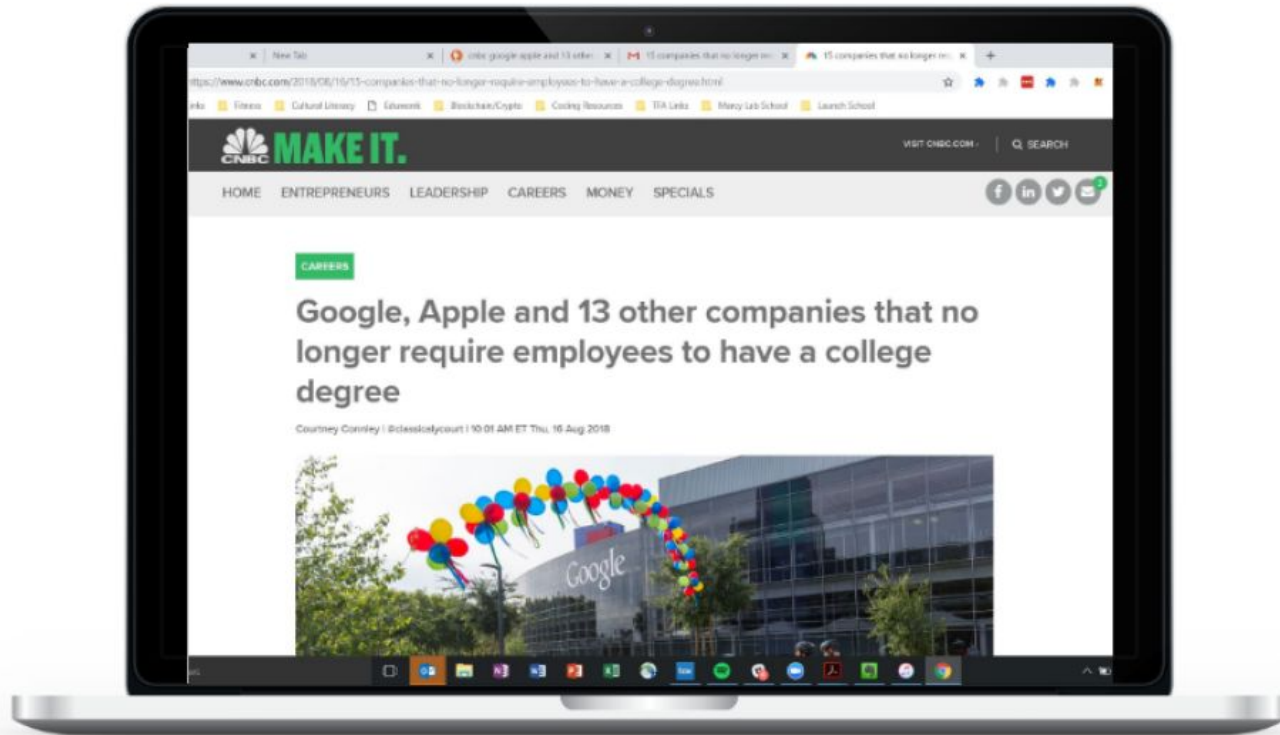

Among the **fastest**
growing careers in
the world...

Why *Software Engineering*? 🤔

- We want our graduates to build wealth
- We want our students to build companies
- We want our graduates to have options
- And most importantly, a college degree is *not* necessary to break into and succeed in this industry

Our Software Engineering Fellowship

The Facts

- Founded in 2019
- Twelve months, full-time (09/2021 thru 08/2022)
- *Partially* Remote - 2 days in person
- Technical and non-technical coursework
- *No* degree or certifications upon graduation

Our Software Engineering Fellowship

The Facts

- Founded in 2019
- Twelve months, full-time (09/2021 thru 08/2022)
- *Partially* Remote - 2 days in person
- Technical and non-technical coursework
- *No* degree or certifications upon graduation

Our Impact

- Graduates of the Marcy Lab School are currently earning an average salary of \$103,500 per year to write software for some of the best companies in the world.

Our Software Engineering Fellowship

The Application Process

- Application consists of resume, cover letter, and three essays
- SAT score and GPA do not factor into admissions decisions
- Deadline is July 6
- No prior coding experience is necessary to attend the Marcy Lab School

Q&A

5 WAYS TO SUPPORT YOUR SCHOLAR FOR RETURN TO IN-PERSON LEARNING

with PLC Secretary Ms. Roxanne Liverpool

THE FIRST DAY OF SCHOOL IS SEPTEMBER 9, 2021 Will your scholar be ready to go back into the building

1. Acknowledge and validate feelings of fear. Talk to your scholar to see if they feel afraid or overwhelmed (covid, being around a large group of people again, etc.) The school has counselors to help talk to your scholar if they feel anxious. Please reach out for help.
2. Keep your own worries or anxieties in check. Our worries can become their worries.
3. If your scholar has not been going outside very much since the pandemic. Going outside again can feel strange. Start going for walks with your scholar. If your scholar takes public transportation to school. Take a trip on the bus or train before school starts.
4. When school starts in September. Go back to your old routine before the pandemic (wake up earlier, make breakfast, check bus or train schedule, etc.)
5. Be positive and give your scholar words of encouragement.

These are our suggestions as parents. If you feel you need additional support. Please seek professional help.

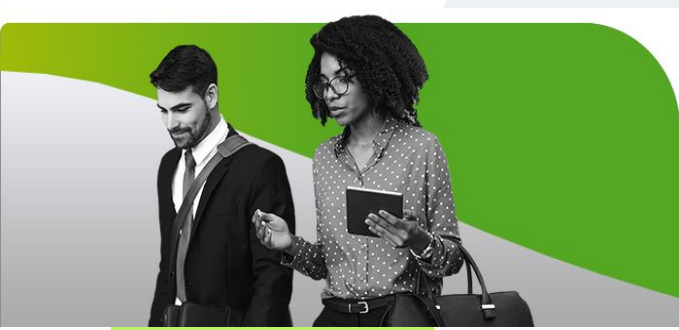

Did you miss a PLC meeting this school year?

with PLC Secretary Roxanne Liverpool

If you did, you may have missed some of the wonderful guest speakers we had this school year like:

THE PLC 2020-2021 GUEST SPEAKERS

- Junior One Hundred
- RiseBoro Community Partnership
- El Puente
- Restoration Plaza
- Girls Who Code
- Weeksville Heritage Center
- Professor Dane Peters Adjunct Lecturer at Brooklyn College and BMCC
- Medgar Evers College of The City University of New York (CUNY) Office of Evening & Weekend Programs
- US Census
- Believe & Inspire
- WCHS National Honor Society
- We now add The Marcy Lab School and U.S. Navy

HOW TO APPLY FOR GOVERNMENT JOBS

with PLC Vice President Cheryl McFadden

CITY JOBS

- New York City is the largest municipal government in the United States. More than 325,000 employees work at over 60 different agencies and offices .
- Many of these jobs do not require a college degree.
- Civil service law requires that candidates for most New York
- City jobs take and pass an exam before they can be hired

Apply for a civil service exam
<https://www1.nyc.gov>

APPLYING FOR STATE JOBS

New York State Government provides rewarding career opportunities for individuals with a broad range of backgrounds. To join the state workforce, you will most likely have to take a civil service exam before applying for the position you're interested in. Applying for the specific position comes after you sign up, take and receive your exam results - a process that takes at least 90 days.

Most state jobs are divided into two categories – competitive and non-competitive.

Competitive Jobs (Exam Required): You must take and pass a civil service exam before applying for a competitive job.

Non-Competitive Jobs (No Exam Required):

You do not need to take an exam, but you must meet the qualifications of the position. These positions are generally filled by people with professional licenses, trade skills, or other specific qualifications.

Apply for a jobs

<https://www.ny.gov/services/employment>

APPLYING FOR FEDERAL JOBS

- If you're a U.S. citizen or national you can apply to jobs that are open to the public.
- Depending on the job, you may need to provide several different documents with your application (Cover letter, Resume, Academic Transcript.etc)

Webinars

- Navigating USAJOBS - Finding and Applying for Federal Jobs online session. June 30th @11 am

•

- Writing Your Federal Resume

Session , July 29th @11 am

Register for webinars at www.usajobs.gov/
Apply for jobs at <https://www.usajobs.gov/>

OVER THE SUMMER BREAK MY SCHOLAR SHOULD

Two Paths to a Career

- **Enlisted**

- Technical Experts
- High School required
- “Boot Camp” for initial training

- **Officer**

- Lead & Manage
- College Degree required
- Commissioning

Source:

- Naval Academy
- NROTC
- Officer Candidate School

Officer Programs

- **Naval Academy**
 - Run by the U.S. Navy
 - Everyone is a Midshipman
 - “Full Time”
 - No expense to students
- **Officer Candidate School**
 - 3 month program
 - For those already with a college degree
- **NROTC**
 - Navy program at a civilian university
 - Many are on scholarship
 - “Part Time”
 - Scholarship covers
 - Full Tuition
 - Textbooks
 - Uniforms
 - Monthly Stipend (\$200-400)

Basic Requirements - Enlisted

- 95% High School Diploma Graduates
- 70% Above average score on the ASVAB
- Must pass DoD medical exam
- Must meet additional standards for rating (Job)
- Must pass Navy physical fitness and body fat standards
- Must have no significant history of drug use
- Must be drug free at time of enlistment
- Must not have significant or offensive tattoos
- Must not have sole custody of dependents
- Must have had no significant legal issues and no issues outstanding

Some of the Many **STEM-Related Careers**

- **Engineman**
- **Gas Turbine Systems Technician**
- **Hull Maintenance Technician**
- **Machinist's Mate**
- **Air Traffic Controllers**
- **Aviation Electrician's Mates**
- **Aerographer's Mates (Meteorologist)**
- **Aviation Structural Mechanics**
- **Aviation Ordnanceman**
- **Aviation Electronics Technicians**
- **Aircrewman**
- **Builders**
- **Navy Construction Electricians**
- **Construction Mechanics**
- **Electronics Technician**
- **Fire Controlman**
- **Intelligence Specialist**
- **Information Systems Technician**
- **Missile Technician**
- **Nuclear Power Technician/Nuclear Power Officer**
- **Operations Specialist**
- **Sonar Technician**
- **Science officers: Meteorology, Oceanography, Chemist and Biochemist**
- **Naval Aviator (Pilot)**
- **Naval Flight Officer**
- **Special Warfare Boat Operator (SWCC)**
- **Special Warfare Operator (SEAL)**
- **Cryptologic Technician**

Naval Nuclear Engineering Program Opportunities

Purpose

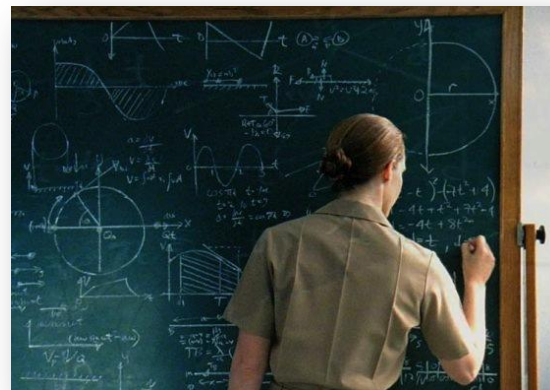

- Utilize top of the line energy sources to enhance performance and sustain operations of the United States Navy's Submarines and Aircraft Carriers

STEM Heavy

- Focus on Mechanical, Electrical, Nuclear, and Chemical Engineering.
- Also covers biological and radiological health.
- Advanced computer controls for Reactor Safety and control circuits.
- New Networked automated systems for electrical power distribution systems.

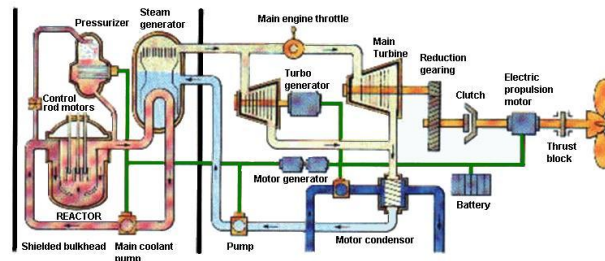

World Leading Program

- **440 Online Commercial Nuclear reactors Worldwide**

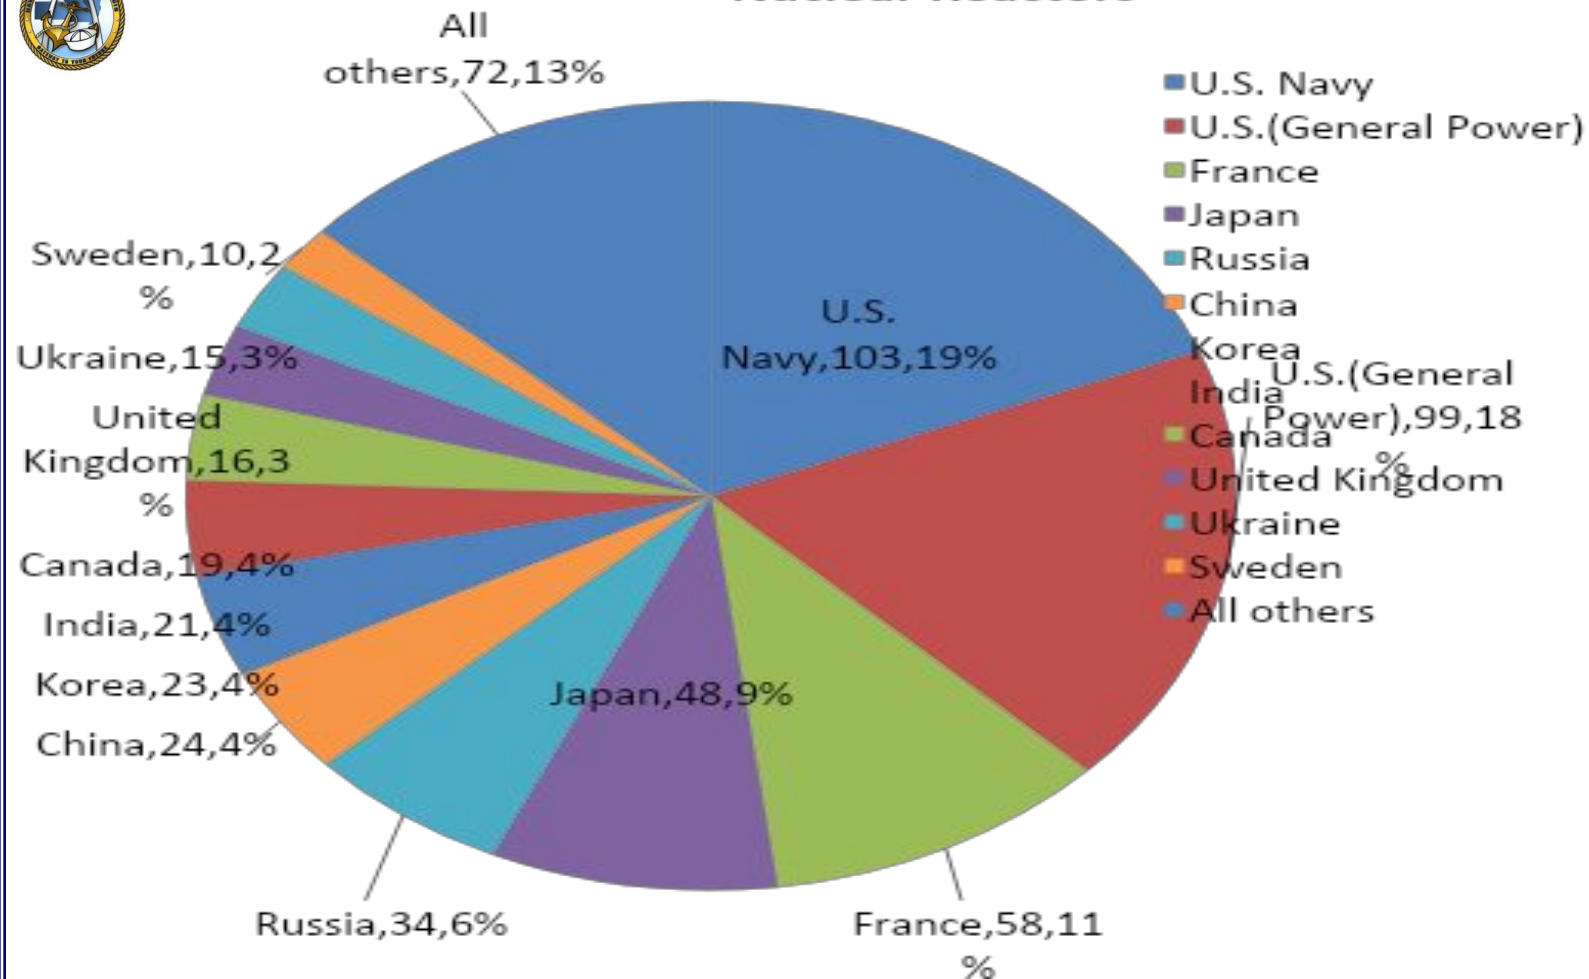

Pressurized-water Naval Nuclear Propulsion System

- **99 Commercial Nuclear Reactors Owned by United States**
- **103 Nuclear Reactors Operated by the U.S. Navy**
- **US Navy is largest entity owning nuclear reactors**

Nuclear Reactors

Benefit for Nuclear Propulsion

- Nuclear Reactors on Naval Vessels can last for 20 years before needing to be refueled. This significantly cuts down on cost for fuel and refueling delay times.

Specific Entrance Criteria

- Be at least 17 years old
- Graduate from High School
- Pass at least high school level algebra
- Little to no drug use
- Little to no police issues
- Little to no financial problems (collections)
- U.S. Citizen, no Dual Citizenship

Personal Benefit (Cont)

- Placed in Leadership roles very fast.
- Rapid advancement
- Valuable work experience and trade skills with no prior knowledge or experience
- Get PAID while in training. Rent, Utilities, and food provided for free.
- Licenses and Certifications 100% paid for by Navy.
- Employers actively seek products of this program to work for their companies.

Personal Benefit (Cont)

- Placed in Leadership roles very fast.
- Rapid advancement
- Valuable work experience and trade skills with no prior knowledge or experience
- Get PAID while in training. Rent, Utilities, and food provided for free.
- Licenses and Certifications 100% paid for by Navy.
- Employers actively seek products of this program to work for their companies.

Post Career Opportunities/Median Pay

(PLTW – Engineering)

- Power Plant Operators \$80,440
- Nuclear Technicians \$80,370
- Electrical Technicians \$63,660
- Mechanical Engineering \$55,360
- Nuclear Engineers \$105,810
- Chemical Engineers \$102,160
- Electrical Engineers \$97,970
- Mechanical Engineers \$85,880

Navy Medical Opportunities

Navy Medicine

**63,000 Navy medical personnel around the world
providing the highest quality health care
to over one million eligible beneficiaries.**

Disaster Relief

- Disaster relief has become a key mission for the United States.
- At home and overseas, U.S. Navy is often at the forefront of relief operations during humanitarian assistance and disaster response efforts.

Disaster Relief - Cont

New Orleans Hurricane Relief

The Navy provided 42 days of care and assistance with 34 different vessels.

Minnesota Bridge Collapse

Navy Divers aided in the recovery efforts at the site of the 2007 bridge collapse over the Mississippi River.

Disaster Relief - Cont

Indonesia Tsunami

The Navy was there to provide over 80 days of assistance and over 30 ships and provided critical medical care to over 200,000 victims of the tsunami.

Haiti Earthquake

The Navy responded swiftly with over 550 medical personnel in over 30 ships, including the USNS *Comfort* to provide medical care, fresh water and shelter.

Japan Earthquake and Tsunami

The Navy mobilized 22 ships, 132 aircraft and over 15,000 personnel, delivering more than 260 tons of supplies, including emergency food and water.

California Wildfires

Navy helicopters conducted aerial firefighting against wildfires in San Diego county. The Navy was also able to provide 6 fire trucks to support local firefighting efforts.

Medical Careers – Enlisted

- Search and Rescue Medical Technician
- Aerospace Medical Technician
- Radiation Health Technician
- Cardiovascular Technician
- Aerospace Physiology Technician
- Biomedical Equipment Technician
- Nuclear Medicine Technologist
- Hemodialysis/Apheresis Technician
- Radiologic Technician
- Electroneurodiagnostic Technologist
- Optician
- Physical Therapy Technician
- Occupational Therapy Assistant
- Biomedical Photography Technician
- Pharmacy Technician
- Surgical Technologist
- Psychiatric Technician
- Urology Technician
- Orthopedic Cast Room Technician
- Histopathology Technician
- Cytotechnologist
- Medical Laboratory Technician
- Respiratory Therapy Technician
- Dental Assistant HM-8708 Dental Hygienist
- Dental Laboratory Technician,
- Dental Laboratory Technician,Maxillofacial

(Sample)

Post Career Opportunities/Median Pay

(PLTW- Biomedical)

- Cardiovascular Technician \$66,350**
- Radiologic Technicians \$60,070**
- Nuclear Medical Technologist \$75,660**
- Physical Therapy Technician \$45,860**
- Respiratory Therapy Technician \$53,070**
- Surgical Technologist \$46,310**

Information Technology

Navy Information System Technicians (IT specialists) engage in a broad range of responsibilities including network administration, database management and computer hardware and software implementation. Responsibilities include:

- **Operating and maintaining Navy global satellite telecommunications systems**
- **Serving as admin on mainframe computers and local and wide area networks**
- **Implementing micro-computer systems throughout the Fleet**

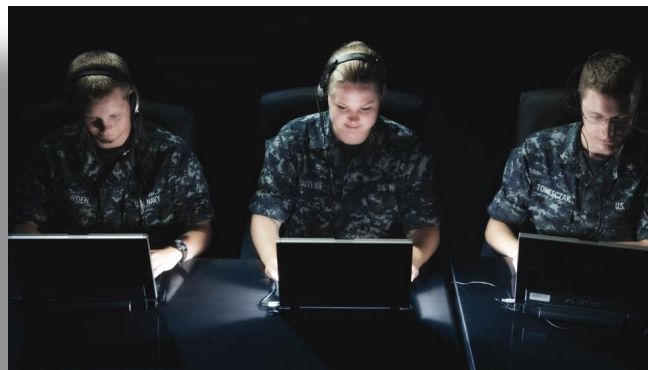

Information Technology

IT encompass a wide variety of exciting related careers, for example:

- Information Warfare
- Intelligence
- Cryptology
- Meteorology
- Cyber Security

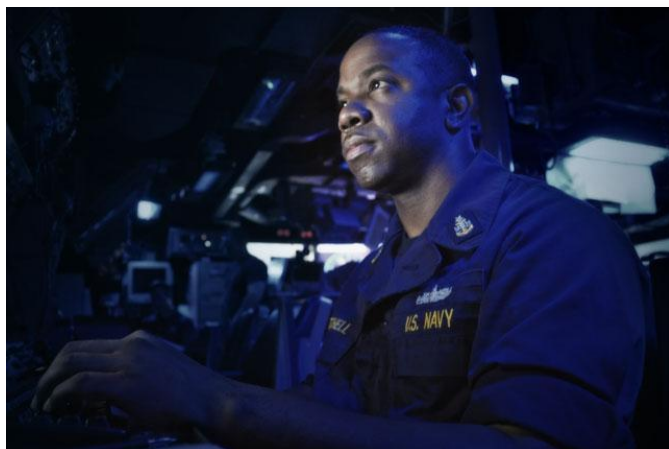

Navy Career Spotlight

Cryptologic Technician - Interpretive

Tasks Include:

Analyzing encrypted electronic communications. Jamming enemy radar signals. Deciphering information in foreign languages. Maintaining the state-of-the-art equipment and networks used to generate top secret intel. This is the highly specialized work of the Enlisted Sailors in the Navy Cryptology community.

Extensive Technical Training:

- **Security +**
- **Network +**
- **CCNA - Cisco Certified Network Associates Certification**
- **CCNP - Cisco Certified Network Professional**
- **Microsoft Certified Professionals**
- **Many Other Certifications**

(Sample)

Post Career Opportunities/Median Pay

(PLTW – Information Technology)

- Network Administrator \$81,100**
- Computer Systems Analyst \$88,270**
- Computer Programmer \$82,240**
- IT Supervisor \$139,015**
- Information Security Analyst \$95,510**

Where can I get my WCHS School Uniform for the new school year?

WILLIAMSBURG
CHARTER HIGH SCHOOL

It's time to start ordering your school uniforms for the new school year. Uniforms can be purchased online via the **WCHS online store** ([Private Store | Williamsburg Charter High School \(modeltees.com\)](#)) (Password: GoWolverine\$2024).

IMPORTANT ANNOUNCEMENT!!

WCHS Families: It's time to hear from you!

Families,

we need your feedback
now more than ever.

NYC 2021
School Survey

NYC Department of
Education

Familias,

ahora más que nunca
necesitamos su opinión.

NYC 2021
School Survey

NYC Department of
Education

TAKE A QUICK SURVEY

Our School Survey is Due.

Don't miss your opportunity to provide your school with valuable feedback: nycschoolssurvey.org. Your voice matters! P.S. email your confirmation that you completed the survey to ahelligar@thewcs.org to be entered into our Grand Raffle.

PARENT LEADERSHIP COUNCIL (PLC) ELECTIONS

PLC AT A SNAPSHOT

USE YOUR VOICE

JOIN THE PLC BECAUSE YOUR VOICE MATTERS AS A PARENT. ADVOCATE FOR ALL SCHOLARS AT WCHS, ADVOCATE FOR YOUR SCHOOL AND HELP WCHS GROW. ELECTIONS WILL BE IN SEPTEMBER.

WHAT IT LOOKS LIKE BEING ON THE PLC:

- AS A MEMBER YOU MEET WITH WCHS PARENT COORDINATOR MS. PINK & MEMBERS OF THE COUNCIL TO PLAN MONTHLY MEETINGS.
- AS A MEMBER YOU MEET WITH SCHOOL LEADERSHIP 1X PER MONTH TO DISCUSS PARENT CONCERNS, RECEIVE SCHOOL UPDATES & VOICE OPINIONS.
- AS A MEMBER YOU WILL TAKE TURNS PRESENTING AT THE MONTHLY WCHS BOARD MEETING & PRESENT A SLIDE AT THE BOARD MEETINGS, UPDATING THE BOARD OF OUR NEXT PLC MEETING & WHO WILL BE THERE.
- YOU WILL ALSO NETWORK WITH NONPROFITS & THE COMMUNITY.
- GAIN A NEW SKILL (IT LOOKS GREAT ON A RESUME)

NEXT STEPS TO JOIN THE PLC

ALL WCHS PARENTS WHO WISH TO RUN FOR THE FOLLOWING POSITIONS:

- PRESIDENT
- VICE- PRESIDENT
- SECRETARY
- TREASURER
- FUNDRAISING COORDINATOR

PLEASE FILL OUT THE GOOGLE PLC ELECTION INTEREST FORM (CHECK YOUR EMAILS FOR THE FORM) DUE BY JUNE 25th, 2021

OVER THE SUMMER PARENTS WHO CHOOSE TO RUN FOR THE PLC WILL BEGIN THEIR CAMPAIGN BY SUBMITTING THE FOLLOWING TO MS.PINK (MPINK@THEWCS.ORG) TO POST TO THE SCHOOL'S SOCIAL MEDIA PAGES & TO EMAIL TO FAMILIES:

- A ONE MINUTE VIDEO STATING WHAT POSITION YOU ARE RUNNING FOR
- A CAMPAIGN FLYER
- A CAMPAIGN EMAIL TO FAMILIES OR BE CREATIVE & SURPRISE ME WITH A CAMPAIGN OUTREACH.

PLC PARENT VOLUNTEERS

Become a PLC Parent Volunteer it's FUN!

We are currently seeking volunteers for various opportunities to help our PLC with monthly meetings for the 2021 - 2022 school year. Volunteering is a great way to get involved, meet new people, and support our schools. There is no minimum time commitment required. And tell your friends who are also parents at our school because the more, the merrier!

Typically we maintain a general list of volunteers whom we contact via email whenever help is needed, but if there's something more specific you'd like to lend a hand in please let us know.

You'll have a lot of chances to pitch in throughout the year, with varying time commitments, so there's no pressure. Become a PLC Volunteer it's fun, and we'd love to have you! **P. S. NO ELECTION REQUIRED TO VOLUNTEER!!**

Please complete your **PLC Parent Volunteer Form**. Check your email for the form.

Learning That Works With PLC President Chevonna Hardy

Coop Tech is a unique citywide school that offers students opportunities to learn Career Technical Education (CTE) skills in a variety of different trades. The scholars are exposed to “on site work based learning” experiences. Scholars work towards certifications, NYS licenses and develop the skills necessary to meet the industry demands. All course offered are 1 year long, except the Automotive Technology class, which is a 2 year program.

Learning That Works With PLC President Chevonna Hardy

Courses Offered

- Carpentry
- Plumbing
- Welding
- Electrical/ Data Networking
- Electrical Installation
- Drafting/ BluePrinting
- Automotive Technology
- Barbering
- Natural Hair Styling
- Certified Nursing Assistant (C.N.A.)
- Intro to Culinary Arts
- Advanced Culinary Arts
- Web Design
- Advertising & Design
- A= Computer Repair
- Cisco Networking

Note: Every Student enrolled in the classes will take the 30 Hour Occupational Safety Health Administration (OSHA) Training.

Learning That Works With PLC President Chevonna Hardy

Admission Requirements

Applicants must be 17-21 years old enrolled in a NYC high school (11th or 12th grade) with a minimum 20 credits or a high school graduate.

Coop Tech has half-day sessions for all courses offered:

A.M. Session 8:30 am- 11:00 am

P.M. Session 12:20 pm - 2:50 pm

Main Campus Location is East 96 St.
Manhattan

Coop Tech @ Canarsie Campus, Brooklyn
