# WHAT IS TAP?

## TAP Animator's Creed

- 1 we show respect  
We are a team.  
We need each other to create the best animation we can.
- 2 we take care of our technology  
(We respect all the equipment used in group)
- 3 we focus  
We have a lot of work to do. ALL our attention is focused on the project.  
There is a common goal for the group.
- 4 we participate  
Our creativity can be more powerful than an individual's.

we own the story

This is the story that the group is making.

# WHAT IS TAP?

**The Animation Project (TAP)** is a non-profit therapy, education and workforce development program. We prepare untapped creatives for the media and animation industries through direct-service software training, career readiness mentorship, and personal development guidance.

TAP nurtures the social and emotional growth of young people (ages 12-24), using digital arts technology as a therapeutic medium and workforce development tool.

WHAT WE DO

# WHAT WE DO

- Participants engage in free therapeutic and informational groups where they work as a team to tell their story and learn various aspects of the animation pipeline.
- Trainees engage in hands-on technical training and connect with industry professionals to prepare them for internships and jobs at top animation studios.
- All groups are facilitated by creative arts therapists and professional animators. Group work is shared publicly on our social media platforms.

»»»Currently, opportunities are held both online and in-person —  
and are available for all NYC residents 12-24 years old.

**VIRTUAL PROGRAMS**

# INDUSTRY ACCESS EVENTS

TAP's **Industry Access Events** are TAP's free, paid, virtual learning opportunities for 12-24 year olds of all skill levels who reside in NYC.

- » **Earn \$10 per event**
- » **Connect with community**
- » **Engage in professional development**
- » **Meet industry professional guest speakers**

Eligible participants must be between 12 and 24 years old and reside in NYC.

To learn more about our Industry Access Events, visit our website at  
<https://www.theanimationproject.org/industry-access-events>

# CHARACTER SPOTLIGHT SERIES

## (virtual)

TAP's virtual **Character Spotlight Series** meets weekly on Zoom. Participants work on character development and an animated video project which is publicly screened at the end of the cycle. Participants learn many of the skills required to create animation, while developing professional skills as well. A licensed creative arts therapist and a professional animator co-facilitate the production of participants' very own original content.

Participants must be between the ages of 12 and 24 to attend the virtual Character Spotlight Series.

Participants register online via the TAP website:

<https://www.theanimationproject.org/virtual-character-spotlight-series>

# Summer 2022 Career + Creative Development Program (virtual)

In partnership with the Mayor's Office of Youth Employment, TAP is offering New Yorkers (ages 15-24) with virtual career readiness programming in animation.

- July 11th - August 19th, 2022
- 12 hours per week of incentivized sessions
- Earn up to \$1,080 in 6 weeks!
- Goals
  - Engagement
  - Connection
  - Creative exploration
  - Education
  - Career development
  - Networking

**Click the link in the chat for eligibility requirements and registration!**

**IN-PERSON PROGRAMS**

# SCHOOL GROUPS

TAP's hands-on, curriculum-based **school groups** are where young people (ages 12-24) meet to produce original animations. A licensed creative arts therapist and a professional animator co-facilitate to help each group develop its story.

Participants receive exposure to:

- » **Teamwork**
- » **Professional animation technology**
- » **Storytelling techniques**
- » **Professional roles that encourage animation and related career paths**

If your school would like to partner with TAP, email [info@theanimationproject.org](mailto:info@theanimationproject.org)

# NEONS (in-person)

TAP's **NeONs** meet at Neighborhood Opportunity Network (NeON) sites in every borough. Each cycle meets weekly for 4 weeks, and participants work on character development and an animated video project which is publicly screened at the end of the cycle.

A licensed creative arts therapist and a professional animator co-facilitate the production of participants' very own original content. Participants learn many of the skills required to create animation, while developing professional skills as well.

Participants must be between the ages of 14 and 24 to attend an in-person NeON group.

# ANIMATION TRAINING PROGRAM

# ANIMATION TRAINING PROGRAM

TAP's **Animation Training Program** is a therapeutic workforce development program for 17-24 year olds. Trainees hone their technical and professional skills in preparation for real world practice.

Supported by creative arts therapist and professional animator facilitators, Trainees receive:

- » **3D production and post production training**
- » **Industry professional mentorships**
- » **Networking with NYC animation studios**
- » **Resume and portfolio development support**
- » **Industry recognized digital credentials**
- » **Therapeutic support towards developing + strengthening their most authentic professional selves**

# ANIMATION TRAINING PROGRAM

TAP's Animation Training Program graduates earn a certificate of completion and apply what they've learned to the real world. TAP connects graduates with opportunities at NYC studios and assist with placement in additional schooling and professional internships. Graduates may be hired as apprentices in TAP studio where they earn a living wage working on client projects while being supervised and mentored by industry professionals.

**Applicants must be 17-24 years old, reside in NYC and have a strong interest in obtaining a career in the animation industry.**

Apply at <https://www.theanimationproject.org/virtual-animation-training-program>

**TAP** STUDIO

# STUDIO

**STUDIO** is a professional animation studio in NYC made up of a team of industry professional animators and skilled apprentices who have graduated the **TAP Animation Training Program** and are hired by STUDIO.

Apprentices work alongside industry professionals on commercial projects to further develop their mastery of state of the art and emerging technologies.

## FDNY FIRE AND EMERGENCY MEDICAL SERVICES EXPLORING PROGRAM

## FAQ

### WHAT IS THE EXPLORING PROGRAM?

Exploring is a division of the Learning for Life organization under the leadership of the Boy Scouts of America for young men and women, ages fourteen through twenty. Its purpose is to bring character building, citizenship training, and fitness programs to the youth of America.

### WHAT MAKES THE FDNY FIRE AND EMERGENCY MEDICAL SERVICES EXPLORING PROGRAM UNIQUE?

In addition to the basic objectives of the Greater Council of New York Learning for Life, the FDNY Exploring Program seeks to help young men and women:

- Gain insight into FDNY careers and develop a road map to their futures;
- Provide hands on training in Firefighting and Emergency Medical Services;
- Develop the tools necessary for a successful school-to-career and school-to-higher-education transition;
- Develop potential contacts that may broaden students' employment options at FDNY.

### IF I BECOME AN FDNY EXPLORER WHAT CAN I EXPECT OF THE PROGRAM?

You will attend weekly Exploring Post Meetings where you will receive training in various areas of Firefighting and Emergency Medical Services. You will attend program-wide Training Days at both the New York City Fire Academy on Randall's Island

and the New York City EMS Academy on Fort Totten in Bayside, Queens. You will participate in local and regional Exploring Competitions. And, you will participate in a variety of community service projects.

### WILL I EARN ANY CERTIFICATIONS AS AN FDNY EXPLORER?

Our Explorers have the opportunity to earn their certification in Basic Cardiac Life Support (BCLS). In addition, as an Explorer you may have the opportunity to participate in 24 hours of HazMat Operations Level Training.

### DOES BEING AN FDNY EXPLORER QUALIFY ME FOR ANY OTHER FDNY YOUTH PROGRAMS?

Yes, FDNY Explorers in good standing who meet all other age and academic eligibility requirements have the opportunity to participate in our Youth EMS Academy Program where you can earn your New York State Emergency Medical Technician – Basic (EMT – B) Certification.

### HOW DO I QUALIFY TO BECOME AN FDNY EXPLORER?

You must be between 14 and 21 years of age. You must show proof of enrollment in High School, High School Equivalency (HSE) Program, or College. If you are enrolled in high school, you must maintain a minimum of 70% average in all of your classes. You must be able to attend a monthly meeting.

# SUMMER MEDIA INTENSIVE

## Summer Media Intensive

CALL FOR APPLICATIONS

DEADLINE: JUNE 5, 2022

Downtown Community Television Center, Inc. (DCTV) is accepting applications for their Summer Media Intensive, which takes place from July 5, 2022, to July 29, 2022. #NYCYouth are invited to participate in this interactive, hands-on learning experience in filmmaking where they can take their ideas on a journey from imagination to creation. Students build skills in pitching, camera operation, interviewing, editing, and media literacy from pre-production to post-production. To learn more, visit <https://www.dctvny.org/s/youth/summer-media-intensive> before the June 5, 2022 deadline.

# AmericaOnTech's TECH360 SUMMER BOOTCAMP

AmericaOnTech's TECH360 Summer Bootcamp is an intensive, 3-week program where students learn how to code through web design and web development. Throughout the program, students will learn industry-aligned technical and professional skills, gaining knowledge of key coding languages and frameworks, including HTML, CSS, and Bootstrap.

During the final week of the program, students will put their knowledge to the test and work in teams to create and present a final website during the end-of-program Demo Day Competition.

Applications will officially close on June 5th. To learn more, visit
