

Let's Celebrate & Honor the Life of Martin Luther King Jr.

Resource from your Parent
Coordinator Ms. Pink

"Everybody can be great... because anybody can serve. You don't have to have a college degree to serve. You don't have to make your subject and verb agree to serve. You only need a heart full of grace. A soul generated by love."

Martin Luther King, Jr.

Remembering Martin Luther King Jr.

He was a Christian minister and activist who became the most visible spokesperson and leader in the Civil Rights Movement from 1955 until his assassination in 1968. Born in Atlanta, Georgia, King is best known for advancing civil rights through nonviolence and civil disobedience, inspired by his Christian beliefs and the nonviolent activism of Mahatma Gandhi. Today and every day, Honor his Legacy and his Dream deferred by moving equality forward.

Dr. Martin Luther King, Jr. encouraged the world to use time creatively, saying that “the time is always ripe to do what is right.”

Knowing that courage takes creativity, this family-friendly program, co-curated with the BAMkids Parent Advisory Circle, immerses young people in art forms that have been important expressions of social justice movements.

Art has helped raise awareness, build community, and challenge power structures. Throughout the day, families can drum, dance, craft, color, and even put themselves in moments of civil rights history from Dr. King's lifetime.
